

Hello Sponsors and Golfers,

Please join us for 18 holes of golf, prizes, lunch and...horsing around is encouraged! All proceeds from the tournament go towards the care, medicine and feed of the horses and programs at Bearfoot Ranch.

Bearfoot Ranch is a 501(c)(3) non-profit equestrian center dedicated to providing therapeutic riding lessons and other riding activities in a safe, effective and compassionate environment. The center furthers our students' knowledge of horses; offers lessons to children and individuals with special needs regardless of ability; and challenges them to reach their potential through the love of horses.

Bearfoot Ranch is the training barn for the Forsyth County Special Olympics Equestrian Team. Each year we send a team of 20-22 athletes to the Georgia State games.

Bearfoot Ranch also works closely with Forsyth County Animal Control in the rescue and rehabilitation of seized animals. Our goal is to return these horses to good health and to teach them to trust humans again. When they are ready, Bearfoot Ranch works hard to find these horses a new home with loving owners.

What does it mean to sponsor our tournament? Your sponsorship will directly assist Bearfoot Ranch in offering lessons to special needs individuals who may otherwise not be able to afford our services. In order to continue to provide more services to our community, we need sponsors like you to help. When becoming a sponsor, you are giving us the opportunity to help one more student and rescue one more horse. It costs more than \$6,000 per month to simply maintain the horse feed, medicine and utilities at our two ranches.

We have a few giving levels of sponsorship available to accommodate any budget you may have to share. Thank you in advance for your generosity and partnership!

Sincerely,

The Volunteers of Bearfoot Ranch
